Welcome to Center for Natural Healing!

Thank you for considering us and ordering with us. We are a small company owned and operated by my husband, Kevin Richard, and myself, Sierra Lamanna.

Our mission of service to you is to treat you with the same respect that we would want to be treated ourselves. It is our desire to support your commitment to a life of health and well being and all it entails. We hope that our products and service reflects this. It is always about you and whatever we can do for you to make your journey, whether it be a new journey or a continued journey, as smooth and comfortable as possible.

We are both practitioners and have studied natural healing and BioEnergetic Medicine for over 15 years. We offer you our expertise and experience. Should you desire a more streamlined approach to your healing, we would be honored to be your natural health care practitioners.

Our sole purpose is to be of assistance to you in your journey towards health. We carry only top quality, well researched products, thereby assuring that you will truly experience the benefits of these natural medicines. Aside from the Gaia Herbs products that appear in our price list, we work with several professional and high vibration product lines that are not listed. These include Physica Energetics, Herbal Vitality, Energetix, Nordic Naturals, Harmonic Innerprizes and Cosmic Essences. With the exception of Nordic Naturals, we personally know the presidents/owners of each company. We make this extra effort in order to assure that the companies we use in our practice are manufactured with positive intent, purity, and integrity. As practitioners we find that within these companies lay all the foundational tools that one needs in order to be restored to a full vibrant life. These are the products that we use ourselves. Also, more times than not, when a customer begins to work using these products, they are able to spend much less money and receive much greater benefits than if they were "self treating" using lesser quality products. We are on this path with you. It was through correcting our own health imbalances so completely that it became our passion to assist others with theirs. It is our belief that deep, permanent healing is available to all, no matter what the name of the imbalance.

Consider joining our email list in which we offer monthly specials, highlight an herb, and discuss a health topic. Our newsletters are very informal and down to earth. We think you would enjoy receiving them.

Thanks again for your order! We wish you a healthy, abundant, and joyful life.

*In appreciation,
Sierra and Kevin*

Terms & Conditions

Business Hours: Monday through Friday from 9:30 a.m. to 5:00 p.m. Eastern Time.

Price Changes: Prices are subject to change without notice.

Sales Tax: Tax will be charged to all North Carolina orders.

Minimum Orders: We do not require a minimum dollar amount on orders.

Special Orders: We do not accept returns on 4 oz. and larger size products. These are considered special orders and cannot be returned or credited.

Shipping Lead Times: Most orders ship within two (2) business days.

Out of Stock Items: If you have ordered an item that is currently not in stock, you will be notified. Always submit your telephone number when placing an order.

Payment Options: Currently, we are able to accept Visa, MasterCard, American Express, Discover/Novus, Personal Checks and Money Orders. Please note that paying via Personal Check will delay your order, as we will need to make sure that the check has been cleared by our bank before shipping your order. We do not accept COD orders.

Returned Checks: There is a \$25 surcharge applicable to any and all first time returned checks. If you issue a check that is returned by the bank, no other checks will be accepted on future orders.

Returns: All products you wish to return must be requested within 30 days from receipt of goods and must be authorized. Unless we are at fault in filling your order, all returned merchandise is subject to a 20% restocking fee. We do not refund shipping costs. All returned merchandise must be in unopened, original packaging and in resalable condition to receive a refund. We do not accept returns on 4 oz. and larger size products. These are considered special orders and cannot be returned or credited.

Cancellations: We may be able to cancel your order except for the following conditions. Orders cannot be cancelled once your order has been shipped. If the product you requested is a special order (4 oz. or larger) and it has been ordered from the manufacturer, the order cannot be cancelled.

Damage Claims: If a package is obviously damaged upon arrival, please refuse delivery and notify us immediately. If an order is damaged only internally, please notify us within two (2) days of receipt of your order to place a claim. All boxes, packaging materials, and product must remain intact and undisturbed in order to process a claim. There is a very high possibility that the shipping carrier will need to inspect the damaged order.
